### **ARPA TRIBAL ELDER HEATING ASSISTANCE**

*Heating assistance in the amount of \$400.00 will be provided to Menominee tribal elders on and off reservation, age 65 and older as of November 1, 2024, per a motion made by the Menominee Tribal Legislature.*

The assistance is being provided through the American Recovery Act funding the Tribe received, therefore it is required that an application be completed.

**Paper applications are being mailed to all eligible elders.  
Applications are also available for download on the Tribal website at:**

**[www.menominee-nsn.gov](http://www.menominee-nsn.gov)  
or by clicking the button below...**

**Once complete, applications must be returned to:  
The Department of Administration  
P.O. Box 910  
Keshena, WI 54135  
or dropped off at their office located in the  
Tribal Office Building in Keshena..**

**Checks will be processed as applications are received.**

*In some cases, more than one enrolled elder may live in the same home. In those instances, only one payment per household will be made and the benefit cannot be transferred. Those who currently live in an assisted facility center do not qualify.*

*In February 2025, a list will be published on the MITW website and in the Menominee Nation News Facebook of the elders that were not reached.*

*Prior to this publication elders may contact Member Services with your updated information directly at:*
